

Welcome to the Ovulation and Menstruation Health Study

Thank you for agreeing to participate in this important study on menstrual health and for providing information that may be valuable to many women in the future. If you complete this survey, you will be entered into a raffle to win a \$200 gift card. You may be eligible to complete other follow-up surveys. If you are eligible, we may contact you in the future about them. If you have any questions about the study, please contact the Study Coordinator by phone [REDACTED] or at [REDACTED]

Instructions

You must click 'Submit' on each page to save your answers. However, once you click submit you will be taken to the next form and cannot go back. The 'Submit' button is at the bottom of each page.

There is an option to increase or decrease font on the top right corner of the page.

If you are unable to complete the whole survey in one sitting, you can click 'Save & Return Later' and follow the instructions that will appear on the screen. The system will display a return code which you must copy or write down, and an email with a special link for continuing the survey will be sent to you. When you wish to complete the survey, click on the link in the email and when the system asks, enter the provided return code. If you lose or forget your return code, you can contact the Study Coordinator by phone at [REDACTED] or at [REDACTED] for assistance.

This REDCap print out does not make clear the skip patterns embedded in the online survey instrument.
